Office of the President.
Kolar Gold Fields Sanitary Board,
Dated Champion Reefs, the 24th May 1913.

F. Bowring, Esquire.,
President Sanitary Board, Kolar Gold Fields.

To,

K. R. Srinivasiengar, Esquire., M.A.,
Offg. Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments

Sir,

N With reference to Government Order No. 9085-6 L.B. 228-12 -2, dated the 16th instant, sanctioning a personal allowance of Rs 10/- to the Sanitary Board Work Inspector, I have the honor to make the following representation for the favourable consideration of Government:-

1. The present incumbent who was Work Inspector of the Bowringpet Taluk on Rs 20 plus 5, was taken on as Work Inspector of the Sanitary Board on a salary of Rs 25 plus 10 (Horse allow R ance). Vide Government Order No. 11565-6 dated the 10th February 1903.

2. On a recommendation of the Sanitary Board this horse allowance of Rs 10/- was commuted into Local allowance on the ground that it was considered unnecessary to compel the Work Inspector to maintain a horse, without a certificate to which effect he could not draw his horse allowance. (Vide Government
L.7-329-96 Order No. 1006-7 dated the 31st August 1903)
R

3. The Work Inspector's work being considered satisfactor an increase to his salary was recommended.

4. In sanctioning this ~~increase~~ making the proposed increase a personal allowance, the Government have wound up the order by saying that the pay of the Work Inspector from 1st July 1913 will be Rs 25 plus 10 (Personal allowance now sanctioned)

2

plus 10 (Horse allowance), apparently overlooking the fact that this latter item of Rs 10/- had already been commuted into local allowance as quoted above.

Officers of similar standing who are on account of the nature of their work, obliged to maintain a pony and furnish a certificate to like effect, are all given a horse allowance of Rs 20/- on account of the costly nature of living on the Fields.

5. If the Work Inspector is now expected to maintain a horse on the Rs 10/- he gets as horse allowance, the object of the Sanitary Board in getting him the increase now sanctioned will have been defeated. As already submitted in this office No. 89 dated 30th February 1903, it is not necessary that this officer should maintain a horse as he can be safely left to himself to arrange for his means of locomotion to go over the limited area under the administration of the Sanitary Board and be available at any spot at which he is ordered to be, against the visits of any of the officers of the Sanitary Board.

6. Under these circumstances I request that sanction of Government may kindly be obtained to continue the Rs 10/- he has been drawing as local allowance since August 1903 and that the order in reference be modified accordingly, the salary of the individual in question thus totalling Rs 25 plus 10 (Personal allowance) plus 10 (Local allowance).

I have the honour to be,

Sir,

Your most obedient servant,

For President, Sanitary Board,

Kolar Gold Fields.
